Dear Ms. Amrhein:

This response pertains to the Reports Analysis Division's ("RAD") Requests for Additional Information ("RFAI") dated December 23, 2018. The Committee would like to provide additional context with regard to the over limit donors addressed in these RFAI's.

In the 2017-2018 cycle, the Committee raised over \$13.5 million dollars due to the overwhelming response to the leadership of Whip Scalise. Proportional to the large number of contributions received, the committee issued 1,651 refunds to donors totaling \$382,083.

The refunds addressed in the three RFAI's listed above were related to 42 transactions and 21 individual donors totaling \$40,390. Twenty five of these transactions totaling \$24,915 were refunded on 12/03/2018 - 12/06/2018. While not publicly reported until the Year-End report, the Committee was further reviewing and refunding excess contributions prior to the RFAI received addressing them on 12/23/2018.

The Committee takes its responsibility to refund donors in a timely fashion seriously, and has implemented additional internal processes to address the increased volume to ensure compliance moving forward.

Sincerely,

Benjamin Ottenhoff  
Treasurer
